Long Way Around

Key of C – Capo 3rd fret. Sorry for the long lines - too many lyrics to fit!

My friends from high school / Married their high school boyfriends
Moved into houses in the same ZIP codes / Where their parents live

But I, I could never follow / No I, I could never follow

F # m - - - / A s u s 2 A A s u s 2 A : ||

I hit the highway / In a pink RV with stars on the ceiling
Lived like a gypsy / Six strong hands on the steering wheel

**I've been a long time gone now / Maybe someday, someday I'm gonna settle down
But I've always found my way somehow /
By taking the long way / Taking the long way around (2x this whole line)**

I met the queen of whatever / Drank with the Irish and smoked with the hippies
Moved with the shakers / Wouldn't kiss all the asses that they told me to
No I, I could never follow (2x)

**It's been two long years now / Since the top of the world came crashing down
And I'm getting' it back on the road now / But I'm taking the long way...**

Well, I fought with a stranger and I met myself / I opened my mouth and I heard myself
It can get pretty lonely when you show yourself / Guess I could have made it easier on myself
But I, I could never follow / No I, I could never follow

**Well, I never seem to do it like anybody else / Maybe someday, someday I'm gonna settle
down / If you ever want to find me I can still be found / Taking the long way...**
