Carolina In My Mind

Key of E, Capo 2nd fret. A#o6 = x12020

D - G G/F# Em7 - G/A - /

In my mind I've gone to Carolina

Can't you see the sunshine cant you just feel the moon shining?

Ain't it just like a friend of mine to hit me from behind

Yes I'm going to Carolina in my mind

Karen, she's a silver sun, you'd best walk away and watch it shining

Watch her watch the morning come

A silver tear appearing now I'm crying, ain't I?

I've gone to Carolina in my mind

There ain't no doubt in no-ones mind that loves the finest thing around

Whisper something soft and kind

And hey baby, the sky's on fire, I'm dying, ain't I

I've gone to Carolina in my mind

(Chorus)

Dark and silent late last night I think I might have heard the highway calling

Geese in flight and dogs that bite

The signs that it might be omens say I'm going, going

I've gone to Carolina in my mind

With a holy host of others standing around me

Still I'm on the dark side of the moon

And it seems like this goes on like this forever

You must forgive me

If I'm up and gone to Carolina in my mind
