I Want to Know What Love Is

Gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm older

This mountain I must climb
Feels like a world upon my shoulders
Through the clouds I see love shine
It keeps me warm as life grows colder

*In my life there's been heartache and pain
I don't know if I can face it again
I can't stop now, I've traveled too far
To change this lonely life*

**I want to know what love is
I want you to show me
I want to feel what love is
I know you can show me**

I'm gonna take a little time
A little time to look around me
I've got nowhere left to hide
It looks like love has finally found me
