## The Fool on the Hill

Day after day, alone on a hill  
The man with the foolish grin  
Is keeping perfectly still  
But nobody wants to know him  
They can see that he's just a fool  
As he never gives an answer

**But the fool on the hill  
Sees the sun going down  
And the eyes in his head  
See the world spinning round**

Well on the way, head in a cloud  
The man of a thousand voices  
Talking perfectly loud  
But nobody ever hears him  
Or the sound he appears to make  
And he never seems to notice

And nobody seems to like him  
They can tell what he wants to do  
And he never shows his feelings

He never listens to them  
He knows that they're the fools  
They don't like him
