

Red Hot Chili Peppers

Under the Bridge

(Intro)

Sometimes I feel like I don't have a partner.
Sometimes I feel like my only friend,
Is the city I live in, the city of angels
Lonely as I am together we cry

I drive on her streets, 'cause shes my companion
I walk through her hills, 'cause she knows who I am
She sees my good deeds, and she kisses me windy
I never worry. now that is a lie

I don't ever want to feel like I did that day.

Take me to the place I love, take me all the way,

F# m - E - B - F#m - / 1st /

Yeah, yeah - yeah, yeah -

E - B - C#m - G#m A / E - B - C#m - A - /

Its hard to believe, that theres nobody out there
Its hard to believe, that Im all alone
At least I have her love, the city she loves me
Lonely as I am, together we cry

[CHORUS]

Oh no no no, yeah, yeah
Love me, I say, yeah yeah
One time

*...**I could not get enough***
*...**Forgot about my love***
*...**I gave my life away***
