Could you whisper in my ear, The things you wanna feel?
I'll give you anythin', To feel it coming'
Do you wake up on your own, And wonder where you are?
You live with all your faults.

I won't say anything at all.*

Don't you love the life you killed? The priest is on the phone,
Your father hit the wall, Your ma disowned you.
Don't suppose I'll ever know, What it means to be a man.
It's somethin' that i can't change, I'll live around it.

(Pre-chorus w/ Cadd9, Riff1)

**So why don't you slide. / /
Mmmm, slide. / /**

*And I'll do anythin' you ever dreamed to be complete,
Little pieces of nothin' that fall.
Oh May, put your arms around me.
What you feel is what you are, And what you are is beautiful.
Oh May, do you wanna get married
or run away?*

Why don't you slide into my room, just slide into my room.**

Oh, we'll run away, run away, run away.
