

Weezer

My Name Is Jonas

C Em7 Am Em7* / (Em7* = x20000)*

My name is Jonas
I'm carrying the wheel
Thanks for all you've shown us
But this is how we feel
Come sit next to me, Pour yourself some tea
Just like grandma made, When we couldn't find sleep
Things were better then, Once but never again
We've all left the den, Let me tell you 'bout it

C G Am F / C - - - (w/ intro) / 1st (x6)

*The choo-choo train left right on time
A ticket costs only your mind
The driver said, 'Hey man, we go all the way'
Of course we were willing to pay*

C - Am - G - - - / (x4)

My name is Wepeel
I gotta box full of your toys
They're fresh out of batteries
But they're still makin' noise (makin' noise)
Tell me what to do, Now the tank is dry
Now this wheel is flat, And you know what else
Guess what I received, In the mail today
Words of deep concern, From my little brother

*The building's not going as he planned
The foreman has injured his hand
The dozer will not clear a path
The driver swears he learned his math
The workers are going home (x4)*
