## Pink Triangle

Em - Am - / D - G - / 1<sup>st</sup> / 2<sup>nd</sup>

when i'm stable long enough  
i start to look around for love  
see us reaching for a prince  
my mind begins the orange mess

but when i start to feel that pull  
turns out I just pulled myself  
she would never go with me  
we're not all that's good on earth

**G Bm C G / C G D - / Em Bm C G / 2<sup>nd</sup>**

**C - Bm Am D Em / C - G - / C D G - / - - - -**

**i'm dumb she's a lesbian  
i thought i had found the one  
we were good as married in my mind  
but married in my mind's no good**

**pink triangle on her sleeve  
let me know the truth  
let me know the truth**

might of smoked a few in my time  
would never thought it was a crime  
knew the day would surely come  
when i'd chill and settle down

when i think i've found a good old fashioned girl  
then she put me in my place  
everyone's a little queer  
oh, can't she be a little straight

**i'm dumb she's a lesbian  
i thought i had found the one  
we were good as married in my mind  
but married in my mind's no good  
pink triangle on her sleeve  
let me know the truth  
let me know the truth**
